### Periodic Pains.

Dr. Miles' Anti-Pain Pills are a most remarkable remedy for the relief of periodic pains, backache, nervous or sick headache, or any of the distressing aches and pains that cause

women so much suffering. As pain is weakening, and leaves the system in an exhausted condition, it is wrong to suffer a moment longer than necessary, and you should take the Anti-Pain Pills on first in-

dication of an attack, If taken as directed you may have entire confidence in their effectiveness, as well as in the fact that they will leave no disagreeable after-effects.

They contain no morphine, opium, chloral, cocaine or other dangerous drugs.

"For a long time I have suffered readly with spells of backache, that eem almost more than I can endore. These attacks come on every month, not last two or three days. I have ever been able to get anything that could give me much relief until I belegan like use of Dr. Miles' Anti-Pain Tils, and they always relieve me in a hort time. My sister, who suffers he mame way, has used them with its sum resolts." MRS. PARK. 221 S. Michigan St., South Bend, Ind. Dr. Miles' Anti-Pain Pills are sold by
